Code of Conduct for Parents/Carers

Maldon Cricket Club is fully committed to safeguarding and promoting the wellbeing of all its members.

Maldon Cricket Club believes that it is important that members, coaches, administrators and parents, carers or guardians associated with the club should, at all times, show respect and understanding for the safety and welfare of others.

Therefore, members are encouraged to be open at all times and to share any concerns or complaints that they may have about any aspect of the club with Joe Figg, Club Welfare Officer.

As a member of Maldon Cricket Club you are expected to abide by the following code of conduct for parents/carers:

Parents/Carers should:

- Be aware that they have a great influence on children's enjoyment and success.
- Encourage children to enjoy their Cricket, thereby promoting a sense of personal achievement and self-esteem which in turn will improve the child's skills and techniques.
- Be aware that their conduct will have a significant bearing on a child's attitude towards other players, match officials, team officials and supporters and therefore this should be of the highest standard at all times.
- Ensure that they are always positive and encouraging towards all children and not just their own.
- Applaud the opposition as well as their own side.
- Avoid all coaching activities during the game.
- Not shout and scream, and ensure a positive attitude at all times.
- Respect decisions of match officials.
- Give attention to each of the children involved in cricket and not just the most talented.

Playing Cricket should be fun for everyone. Remember to be proud of your club. You are our representatives off the field.
